

Please Come to Learn How Planned Construction Could Affect You.

The first phase of the Cole Creek Sewer Separation Project includes construction of new sewers in Benson Park and along 63rd Street between Taylor and Spaulding Streets. **The project will begin construction within a couple of weeks.** Please come to learn how this project will affect traffic patterns, street closings and access to your neighborhood while under construction.

We welcome your comments and questions. Please attend the public meeting on July 23, 2015 at the Benson Community Center, 6008 Maple St. at 6:30pm.
