

**Douglas County
Purchasing and
Quest CDN**

Douglas County Purchasing

- Douglas County Purchasing and City of Omaha Public Works Department have partnered with Quest CDN on a trial basis to offer an online platform for distributing bid documents
- By using Quest CDN the City will no longer offer paper plans for bidding. This shift to electronic-only format allows contractors the freedom to select what and how many print copies of plans they need.
- All Plans and bid documents can be downloaded for a non-refundable \$20 fee. (CD's are available for a \$50 non-refundable fee from the Public Works front desk.)
- To access the projects available to bid, contractors can continue to monitor <http://www.douglascountypurchasing.org/>
